*The Barrow County Auxiliary in Winder, GA, first observed **Doctor's Day** on March 30, 1933. The idea of setting aside a day to honor physicians was conceived by Eudora Brown Almond, wife of Dr. Charles B. Almond. **The initial celebration occurred on the anniversary of the first administration of anesthesia by Dr. Crawford W. Long in 1842.** Following overwhelming approval by the U.S. Senate and House of Representatives, on March 30, 1990, President George Bush signed a resolution into law designating March 30th as **National Doctor's Day.***
