

Colon Cancer: A Preventable Disease

Tuesday, March 10th 6 PM

Conference Rooms A & B
One Medical Plaza Roseville, CA

Colon Cancer is a preventable disease. Come learn the importance of colon cancer screenings and have your questions answered by three expert physicians from Capitol Gastroenterology. Registration is free and open to the public. Space is limited, so please call Denise at Sutter Roseville Endoscopy Center at (916) 773-8780.
